4. MIKE RADCLIFFE

Al asked Mike Radcliff to come in and talk to Harbor Committee about his mooring. He has three boats on it. Mike has agreed to move the mooring southerly and to pay for 3 moorings because he has three boats on one float mooring. Al and Mike will work out a good location.

Mike had another question; he has an old float that he would like to put in George Lawson's repairian area. It would be attached to the dock on the inside. Harbor Committee agreed that he would need a letter from George Lawson.

Charlie Dillon asked Mike Radcliff if he was unhappy with the situation at the Town wharf? Mr. Radcliff said that he is very unhappy but does not want to talk about it right now and that he needs to do more research.
